विषयः–केन्द्र पोषित योजनाओं के अंतर्गत SNA SPARSHके क्रियान्वयन में आने वाली समस्याओं के निराकरण के संबंध में।

महोदय,

उर्पयुक्त विषयक भारत सरकार, वित्त मंत्रालय, व्यय विभाग के पत्र संख्या : DO NO. 1/PFMS/2020 दिनांक 17 अक्टूबर, 2025 का संदर्भ ग्रहण करने का कष्ट करें, जिसके माध्यम से अवगत कराया गया है कि केंद्र पोषित योजनाओं (सीएसएस) के अन्तर्गत एसएनए स्पर्श के सुचारू क्रियान्वयन के दौरान कुछ महत्वपूर्ण समस्यायें अनुभव की जा रही हैं, यथा राज्य IFMIS का योजना पोर्टलों के साथ एकीकरण न होना, राज्य स्तर पर बिलों का अटकना, बिलों के थोक अपलोड़ की सुविधा का अभाव, अग्रिम धनराशि की निकासी के प्रावधानों पर स्पष्टता का अभाव, डीवीटी योजना कोड तथा निधियों की पार्किंग।

2– तत्क्रम में भारत सरकार के उक्त पत्र दिनांक 17 अक्टूबर, 2025 की छायाप्रति संलग्न कर प्रेषित करते हुए मुझे यह कहने का निदेश हुआ है कि कृपया भारत सरकार के उक्त पत्र में उल्लिखित समस्याओं के समाधान हेतु प्राथमिकता के आधार पर संबंधित विभागों से समन्वय कर यथावांछित कार्यवाही करने का कष्ट करें।

संलग्नक–यथोपरि।

भवदीय,

DO No. 1/(27)/PFMS/2020 17th October, 2025

Dear ***Chief Secretary,***

I would like to bring to your notice certain important issues being faced in smooth rollout of SNA SPARSH, the new model for 'Just-in-Time' flow of Centrally Sponsored Schemes (CSS) funds:

i. **Non integration of State IFMIS with Scheme portals:** Some of the States are yet to integrate the State IFMIS with the scheme specific portals of central ministries leading to non implementation of SNA SPARSH in such schemes. Further, some of the remaining States have started SPARSH DBT but they are feeding data manually in the State IFMIS which is leading to duplicity of effort and resultant delays.

ii. **Clogging of bills at State level:** Some of the State governments have notified a single DDO for the Cyber Treasury to process CSS bills. In some other States, SNAs have been asked to compile the bills submitted by DDOs from district and below levels before sending them to Cyber Treasury. This is leading to clogging of bills and consequent delays. The process needs to be streamlined urgently, multiple DDOs for each scheme need to be notified and consolidation of the bills needs to be automated.

iii. **Lack of Facility for Bulk uploading of Bills:** Bills are prepared by the scheme implementing agencies in IFMIS and sent to the Cyber Treasury. In some cases, a large amount of data needs to be uploaded along with the Bill. However, in many States, the facility to upload the data in bulk is not available in IFMIS leading to delays.

iv. **Lack of Clarity on Provisions for Drawal of Advance:** Departments/agencies in many States lack clarity on procedure for drawal of advance. Consequently they are not able to pay advance to vendors as per conditions of the contract entered with them. Drawal of advances is governed by the relevant financial rules and instructions notified by the State government concerned and there is a need to make the scheme implementing agencies aware of these provisions. However, use of such provisions should be restricted to absolutely necessary cases to avoid any parking of funds.

Scanned with OKEN Scanner

v. **Parking of Funds:** In some states, funds are being parked in Bank account/Public Account of implementing agencies for deposit works. This is contrary to the objective of 'Just in Time' release of funds. Therefore, relevant notifications and rules which require payment of advance to implementing agencies for works need to be amended.

vi. **DBT Scheme Code:** Implementing agencies of some of the States have confusion that new DBT codes are needed for SNA SPARSH. It is clarified that there is no requirement of obtaining a fresh DBT code for schemes already being implemented in SNA model.

I request you to kindly direct State Finance Department and other departments concerned to take immediate steps to address the aforesaid issues on priority.

With warm regards,

Yours sincerely,

(V. Vualnam)

To,

Chief Secretaries of all States/UTs
